My dear Dimple -

I derived my information from D.P.  
a few weeks old.  
himself from a letter <sup>in</sup> which he says - I quote from  
Keweenaw, but <sup>almost</sup> exactly: 'Dimple is not a speaking letter with  
no any lumps, since my refusal to affix him in a dispute with  
(two, I think) persons who were also friends of mine.'

Yours

Jay
