

31/12/28

My dear John:

As you didn't come  
for me, I waited till 5.30. Then a  
friend sent his car for me, & I  
went to see some friends it was  
important I should see. Alas - if  
you want me to come tomorrow, fetch  
me about the same time as you said  
you would to-day.

yours -

Jay.
