My dear Mr. Titer,

Just back from

to worry you!

Touraine, a reader

Book returned -

profound hope

enough to do

something

about them.

MS of poems in the

you may like them well

to worry you!

Am reading

I think I could do it:

book I should love to do,

was belloy's

more than

in English,

Des bordes.

People are getting

hard, damp

most we seem

spring warning.

What about it?

marks an important

which would please me

most things on earth to recast

that is 'Tadac' of Jean

Also I think it would go well.

Also I think it would go well.

People are getting bored

damp subjectivity of a lot of the

work = the book like a

most we seem

spring warning.

What about it?

the 'Saison en Enfer' hand.

but have found the

could do

please we

to recast

'Tadac' of Jean

it would go well.

with the cold,

of a lot of the

the book like a

spring warning.

change in tendency -

every year

Ray Bell.
