

Ville Hôtel de la Colline
Villefranche.

My dear Douglas:

Do you remember the
cheque for 500 francs Nalin gave me? You
remember that it was when presented? Well, I
told her to stop it. Has she? It appears,
from the English solicitor I am dealing through here
who ~~is~~ are directing a flight of rabeos within
the next week or ten days that that is
horribly illegal here. They have written to the
people to whom I owe money, explaining that all
the remains of the debt will be paid shortly,
but I don't want Nalin to be bothered. She
does the thing. Ask her what we know.
will be over. + rabeos as soon as they
appear. Hell of a life.

Love -
Nancy.
