

Seven

Sunday.

My dear Douglas.

In a desperate rush getting
'Chapman' ready for press. Night = day job - but
shd. be over by Wednesday, & to wait for it.

So w'd love to have beer. Make
it of 3 for food & things if you can. There's a scarcity
here of fish & eggs - etc. & frightfully high prices,
while bill need feeding up.

All love to you -

Jay
