

Dear Douglas:

This is a request you can
 refuse at ~~me~~. My income for half a year is
 paid in about Dec 27th, @ the rate myself down
 to nothing 3 weeks in advance. Would it be
 possible for you to lend me 1000 francs till then?
 I could write you the money & give you a cheque,
 as preferred - ~~Dec~~ by end of Dec. We know each
 other well enough for you to say: No? without
 embarrassment -

All love -

Jay.
