Just a line to tell

You the Zep has just  
passed almost over the  
house — travelling N. like a  
great red catterpillar.

We saw two bombs drop,  
heard dozens, put-out our  
light or some clothes.

forgot your respirator, stowed  
matches & a label bag.

we went out into the square  
to watch. Everyone <sup>was there</sup>  
lending their <sup>glasses</sup>

in nighties & pyjamas. At 4  
the late buses were amply  
inside thick as bees or  
lots.

Are we down-hearted?

No. Your most loving  
Ray

We are just this being  
of pulling as a few dollar  
a young on a walk it is  
said that a bomb fell outside  
Whiteleys. <sup>we</sup> <sup>le</sup>  
off to post this <sup>Amptons</sup>
