My dearest Aunt Ada -

A letter to break  
to you the fact that I'm married.  
I did it quietly & said nothing at first,  
but now that Tony's blessing has been  
awful, showed me, feel that I can  
make it known. He is a very old  
friend, a Russian John Rodker. He  
writes to me and is very happy.  
The fact broken it to Mother!  
The biscuits were infinitely appreciated.

Very much love -

your ever -

Jany
