My dearest Aunt -

Many many

thanks. We have just heard
from Cox's & have to proceed

16 hours by the fastest train!

(of a journey which should take

eight at most.)

We hope to cross Wednesday night.

We'll arrive at Park Lane by the
fast train & can catch for Southampton

on Thursday - John insists that I

have a couple lit - I think it is

Sensible as six been hours is to be,
o my back hurts if I don't rest
it. I hope Thursday will not
inconvenience you. It is splendid news
about Christiania. Thank you very
very much for sending the money. I
can give you a cheque on arrival,
with you the whole quietly staying.

All our love. Till Thursday.

Jany
