Post Marked Oct. 16, 1924

Sarah Briggs

Dec 14-10-24

My dearest Aunt.

I have just heard from Tony of the death of my ^{GR} Grandmother. Please except my every sympathy & affection. I want say anything more than that. Her death was to have been expected but the marvellous care you have taken of her has always seemed to me one of the most wonderful things I have ever known.

Please write when you have time.

My love to Aunt Agnes & Aunt Clara -

ever your most-loving -

Tony
