

My dearest Aunt.

I was so glad to hear from you. Yes, I saw Tony a few days ago, but never imagined that he would actually succeed in having ~~John~~ ^{John} abroad.

Brannie is wonderful!

As to Camilla's photograph - there has been a very difficulty - just the photographer we wanted left town then I found I couldn't afford him when he came back.

Then we found another, & there was a sensational fog, & we didn't go.

I think it will be done soon.

She is still with Poppy - so very

Well & hands me with half interest
& several wads.
This summer I've taken a Parbeck
cottage & shall have her there. Hope
I can see her off then.
Of course any time you are in
town I am going to Paris for a
few weeks & then return to England
& indefinitely.

Over your loving -

Mary

I enclose what I hope is one year
interest on the £50 you lent me -
There will be another due this
autumn.
